## **The President's Attendance at the Microcon 2023 Summit**

SUNSET STATE. - The Office of the President is pleased to formally announce that tomorrow, President Morber will be traveling to Chicago to participate in the highly anticipated Microcon 2023 Summit. Microcon, a biennial summit of micronationalist government representatives and heads of state, will convene in Chicago from June 30th to July 2nd. There, President Morber will engage with other leaders from across North America in diplomacy and represent our nation on the world stage. In addition, President Morber will be signing a treaty at the summit with the Republic of Excelsior.

President Morber is honored to again represent Soundland after Microcon 2022, and appreciates the unique chance of attending two years in a row, due to the decision to switch back to the original schedule after Covid-19.
